

What are the membership benefits?

OPTIMA HEALTH VALUE-ADDED BENEFITS PROGRAM

Group Advantages

- Value-added*benefits are available to all groups with 2-99 employees**
- Groups in the Association program are individually underwritten
- Groups receive the value-added benefits listed below at no additional cost to the member when received from an in-network provider:
 - \$5 reduction for Primary Care Provider (PCP) and behavioral health Copayments (unlimited), offered on all Copayment Association plans
 - \$5 reduction for Specialist visit Copayments (unlimited), offered on specific Association plans
 - \$50 reduction for Outpatient Surgery Copayments (unlimited), offered on specific Association plans
 - Three (3) Additional Employee Assistance Program (EAP) Sessions, offered on all Association plans

Association Advantages

- The Association is eligible to receive a monthly marketing fee
- The Association program is an additional reason for potential members to join and maintain membership in the Association
- The Association program offers enhanced health benefits for your members

Agent Advantages

- Any licensed and appointed agent can sell Optima Health group products and place business through the Association program
- There is no reduction to the agent's commission
- The writing agent continues to service and be compensated for groups in the Association

For more information, visit www.optimahealth.com/associations

* Value-added refers to an enhanced benefit design compared to non-Association group plans.

** Groups in the Association program are individually underwritten.

Optima Health is the trade name of Optima Health plan and Optima Health Insurance Company. All Optima Health plans have benefit exclusions and limitations and terms under which policy may be continued in force or discontinued. For cost and complete details of coverage, please contact Optima Health or log on to optimahealth.com
